Travel Information

Travelling to Linköping by air

Transportation from Airport to Linköping / Linköping University

There are a few ways to reach Linköping by air.

The closest airport to Linköping University is [Linköping City Airport](#) (LPI), located at a distance of ca. 9 km. It is possible to reach the city and university from the airport by taxi or rental car. Linköping City Airport is a small international airport served by the airlines KLM and SAS, and connects the city with Amsterdam and Copenhagen.

The flight from [Amsterdam International Airport](#) (AMS) to Linköping takes almost two hours, and from [Copenhagen International Airport](#) (CPH) about one hour. Train travel to Linköping from Copenhagen International Airport takes about 3 hours. Check out the [Swedish Railways SJ](#) for train times and ticket booking. Phone number to the Swedish Railways is +46 - 8 - 696 7509.

[Stockholm Arlanda Airport](#) (ARN) is the largest airport in Sweden. All international flights (terminals 2 and 5) are handled by SAS and its Star Alliance partners. Direct train travel to Linköping from Stockholm Arlanda Airport takes about 2 hours using the [Swedish railways SJ](#) Regional. As an alternative, it is possible to take the Arlanda Express high-speed train to Stockholm City (Central railway station) and from there a regional train to Linköping.

Travel between Stockholm Arlanda Airport and Stockholm Central railway station can also be made by Airport buses, leaving every 10 minutes. The bus takes 45 minutes at a cost of 119 SEK (~13 Euro) as compared to the Arlanda Express, which takes 20 minutes at a cost of 260 SEK (~28 Euro).

Direct connection from Stockholm Arlanda Airport to Linköping is also possible by [Swebus](#), Express bus. It takes about 3.5 hours.

[Stockholm Skavsta Airport](#) (NYO) near Nyköping is the third largest airport in Sweden. It is served by the low cost airlines Ryanair and Wizz Air. Airport buses to/from Linköping operated by [Flygbussarna](#) connect the airport to Linköping city centre in about 1.5 hours.

[Norrköping Airport](#) (NRK), at a distance of 51 km from Linköping University, offers flights to/from Helsinki operated by the airlines Flybe and Finnair. Trains and buses run regularly between Linköping and Norrköping. Buses as well as commuter trains take about 40 minutes.

Travelling to Linköping by car or rail

Transportation by car or rail via the Öresund Bridge

The 16 km Öresund Bridge, opened in 2000, links Denmark's capital, Copenhagen, with Sweden's third largest city, Malmö, and takes both car and rail traffic. Direct rail services to other cities in Sweden, including Stockholm, also operate across the bridge. From Stockholm, there are frequent regional trains which arrive to Linköping in 2 hours.

For more information on the bridge and prices, please visit their [website](#). For more information on trains to Linköping, please visit the [Swedish Railways SJ](#) website.

For travellers by car, there are no tolls (except when crossing the Öresund Bridge) through the entire length of Sweden, and traffic jams are rare. The roads are usually in excellent condition, with easy-to-read traffic signs.

Transportation by rail from the UK

The fastest rail route from the UK to Sweden is via the [Eurostar](#) service through the Channel Tunnel from London (St. Pancras) or Ashford International (Kent) to Brussels, with onward trains to Copenhagen for connecting services to Sweden. Through trains operate from Copenhagen to [destinations in Sweden](#) via the bridge and tunnel across the Öresund strait.

Transportation into Linköping

Linköping University is at a walking distance (about 3 km) from the city centre's main attractions. Bus and railway stations are at less than 5 km from university. We strongly recommend to enjoy the city on foot or by bike. Of course, it is possible to move by car, taxi, or bus, too.

Linköping by bike

Bikes are the favourite means of transport for Swedes, and June is a very favourable month for cycling. Linköping University offers a service of rental bikes. If you are interested, we will be glad to help you to rent your bike during your stay! Please, contact us in advance.

How to get to campus Valla from the city centre by bus

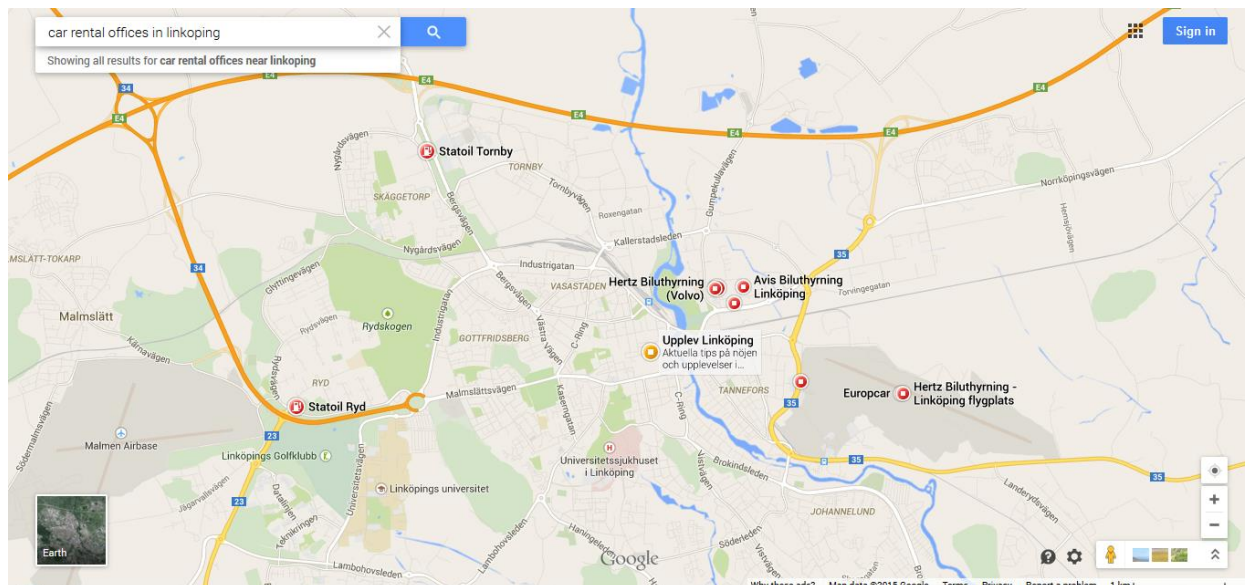

From Linköping's train station Resacentrum buses 2, 12 and 20 run to campus Valla.

Buses run from early morning until late evening, later on Fridays and Saturdays. It is not possible to buy a single ticket on the bus, but there are vending machines in many locations where you can purchase single tickets using a credit card. These vending machines are called "Quickomat" and are easily recognised by their green colour.

It is also possible to buy a single ticket, which is valid within the city boundaries, by sending a text message, SMS, to 72365. Send the message a couple of minutes before the bus is due (look at the timetable at the bus stop). The ticket is then valid for one hour. The code in Linköping is LU for youth (under 26) or LV for adult (over 26).

Linköping by car

When driving into the city, pay attention to the street markings and observe strictly the rules (traffic lights, driving side, parking times and allowed places, etc.). The driving side is often on the left side, since the right side is for busses and taxi! Finding free parking slots could be tricky, but hotels usually have free parking for their guests. There is a wide free parking area at campus Valla.

MAP-8. Location of the rental car offices in Linköping. It is also possible to rent your car at the airport.

To find cheap offers, we suggest you to visit the websites of [Statoil](#) gas stations (website in Swedish, but if you need any support, we will be glad to help you!), [Rentalcars](#) and [Autoeurope](#).
