Tuesday 9.6.2015

Day I, Wednesday 10.6.2015

Day II, Thursday 11.6.2015

Day III, Friday 12.6.2015

Time	Room	Activity	Room	Activity	Room	Activity	Room	Activity	Room	Activity	Room	Activity
8:20-9:45												
8:45-9:00												
09:00-09:15												
9:15-9:30												
09:30-9:45												
9:45-10:00												
10:00-10:15												
10:15-10:30												
10:30-10:45												
10:45-11:00												
11:00-11:15												
11:15-11:30												
11:30-11:45												
11:45-12:00												
12:00-12:15												
12:15-12:30												
12:30-12:45												
12:45-13:00												
13:00-13:15												
13:15-13:30												
13:30-13:45												
13:45-14:00												
14:00-14:15												
14:15-14:30												
14:30-14:45												
14:45-15:00												
15:00-15:15												
15:15-15:30												
15:30-15:45												
15:45-16:00												
16:00-16:15												
16:15-16:30												
16:30-16:45												
16:45-17:00												
17:00-17:15												
17:15-17:30												
17:30-17:45												
17:45-18:00												
18:00-18:15												
18:15-18:30												
18:30-18:45												
18:45-19:00												
19:00-20:00												
20:00-21:00												
21:00-22:00												

9:15-11:15  
Plenary I, Omega I&II  
**Industrial Nano technology in support of a European Renaissance**

11:15-11:45  
Coffee & networking, Posters

S1 Clean and efficient energy solutions with nanotechnology

S8 Printed technologies incl. Microfluidics

S11 Networks and clusters in Europe - smart specialisation in action

Workshop registration 13:00-14:00  
University of Latvia, Rains blvd.19

Sensors

Nanomaterials characterisation and synthesis

S2 Nanotechnologies and health

S7 Novel functionalities enabled by Nanomaterials

S12 Pilots lines, demonstrators and access to research infrastructures - success stories and news

15:30-16:00  
Coffee & networking

Sensors

Nanomaterials characterisation and synthesis

S3-Nanotechnologies and advanced materials in everyday life / consumer goods

S9 Smart structures and intelligent materials

S13 Education and physical infrastructure needs

17:45 Welcome cocktails and posters

9:00-10:30  
Plenary II, Omega I & II  
**Socio-economic trends and Innovation demands on Nanotechnologies and Advanced Materials**

10:30-11:00  
Coffee & networking, Posters

S4 Nanotechnology's role for a sustainable environment (water, soil, air)

S6 Modelling and characterisation at multiple scale

S14 Public funding opportunities (H2020, regional, structural)

12:30-13:30  
Lunch & networking  
Posters, Guided Expo tours

S5 Nanotechnology in smart, green and integrated transportation

S10 Enhanced functionalities by nanoengineering, advanced materials and nanofabrication

S15 Innovation, IPR and signals of private funding and innovation in nanotechnology

15:00-15:30  
Coffee & networking

15:30-17:00  
Plenary III, Omega II  
**Business opportunities and framework conditions for rapid deployment of nanotechnology**

17:00-18:00  
Poster session  
authors at posters

18:00 Busses leave for Conference dinner

19:00 Conference dinner  
Culture Palace "Ziemeļblāzma"
